

Community Consolidated School District 21

Preparing all students for success with future ready facilities

Who are we?

Community Consolidated School District 21 (CCSD21) serves 6,500 students across 13 schools, including one early childhood, nine elementary and three middle schools. Students reside in Wheeling, Buffalo Grove, Arlington Heights, Mt. Prospect, Prospect Heights or Northbrook and, upon completion of middle school, attend Wheeling or Buffalo Grove High Schools. More than 65 languages are spoken in homes of District 21 families, and CCSD21 offers bilingual instruction in Spanish, Polish, and Russian.

Our Mission

The mission of CCSD 21 is to prepare all students for success.

The Referendum

CCSD21 is seeking a \$69 million dollar investment in its facilities through a voter-approved bond issue which will be used to provide for security improvements including secure school building vestibules and security system upgrades, installation of air conditioning districtwide, preparation of learning spaces for a districtwide full day kindergarten program, improved energy efficiency with the installation of LED lighting and replacement of aging mechanical systems, up-to-date 21st century learning spaces through the replacement of outdated and obsolete classroom furniture, and ensuring the efficient operation of school buildings for decades to come by addressing facility needs such as paving, roofing, plumbing, flooring, and other critical mechanical systems.

The Estimated Impact on Taxpayers

Home Market Value	Taxpayer Impact- Cost per year
\$100,000	\$19
\$200,000	\$49
\$300,000	\$78
\$400,000	\$107
\$500,000	\$136
