Hi CESD21!

We're so happy to see you! We sure missed seeing your faces every day, but we hope your summer break was filled with sunshine and good food.

We know that this school year will look different in a lot of ways, but we want to assure you that whether you're eating in the classroom or picking up meals to eat remotely, we are ready to fuel you through each day with the delicious, healthful meals you know and love!

We've also worked to implement additional protocols to ensure the safety of both our food and our school community.

As always, we want school breakfast to be something you look forward to every day, so please share your feedback and menu ideas with us!

Each meal includes rBST-free skim or 1% milk.
