Dear Parent/Guardian:

CCSD 21 is offering assistance with School Fees including, but not limited to, fees for textbooks, instructional materials, field trips and class projects to families that qualify. CCSD 21 will grant a waiver of fees to students whose household income falls within the USDA's Eligibility Guidelines.

In order to participate in the program, the parent or legal guardian of the student(s) must complete the Fee Waiver application and **supply proof of income**. Proof of income must be **one** of the following:

- Previous year's Tax Return
- SNAP or TANF Certification Notice that shows dates of certification
- Documentation that verifies that the child is a foster child
- One month's recent paystubs that shows the amount and how often pay is received; or a letter from employer stating gross wages and how often you are paid
- Social Security retirement benefit letter, statements of benefits received, or pension award letter
- Notice of eligibility from State employment security office, check stub, or letter from the Workers' Compensation office
- Court decree, agreement, or copies of checks received for child support or alimony
- If you have no income, a brief note will need to be provided explaining how you provide food, clothing, and housing for your household, and when you expect an income.
-

Please note: All questions on the application must be answered and proof of income provided or your application will be denied. Applications can take up to 10 operating days to process.

A letter will be mailed to your home address stating if the fee waiver is granted or denied. If the application is denied, the parent or legal guardian of the student will be responsible for paying any fees.

If you do not agree with the District's decision, you may discuss it with the school's eligibility official, Cindy Kile, at 847-520-2706. If you wish to review the decision further, you may appeal the decision by calling or writing:
