<p>First Day of school jitters happen to us all!</p> <p>Friends, sisters, brothers, bus drivers, lunch staff, teachers and your school principal can get the first day jitters. A good way to help with those jitters is to head back to the café with old & new friends and enjoy a good breakfast and try some of our special jitter juice to help you conquer those first day jitters. Just like our favorite character, Sarah Jane Hartwell, who has the sinking feeling in the pit of her stomach on her first day of school. She is nervous and doesn't want to start a new school year. You can preview the book at breakfast, along with some jitter juice. Elementary students can find "First Day Jitters" by Julie Dannenberg in their school library after everyone makes it through their first day of school and find out what happens to Sarah Jane on her first day of school and how she conquered her jitters. Be on the look out for more Jitter stories during the school year. We hope everyone has an awesome school year!</p>

Good Morning!

Mornings can be hectic. School breakfast takes one thing off the morning "to do" list and it's a great way to start the day.

We will be offering students Grab - n- Go breakfasts by the entrance when students enter the building or in the cafeteria. All students will need to check out at the registers this year.

The food supply chain is suffering delays and shortages nationwide causing our district to experience unavailable items or last-minute replacements. We apologize in advance if a posted menu item is not available, and we will always have a replacement item. We appreciate your patience and understanding!

Each meal includes rBST-free skim or 1% milk.
